RE: Your CPRA request dated July 4, 2019

Dear Dan Rubins:

We are further providing records responsive to your California Public Records Act (CPRA) request received in an email on July 4, 2019. You are seeking records within the parameters of Penal Code section 832.7.

As indicated in our letter dated July 31, 2019, we have enclosed the remaining disclosable records that we have in our possession. These records were not originally in our possession. We received these records as a result of requests from other agencies. However, these records do not include all agencies within Alameda County as we only provided the records we received. For a complete list of disclosable records under 832.7, please contact the employing agencies directly. Please note we have no disclosable records for employees of the Alameda County District Attorney's Office. Furthermore, the records provided have been redacted as required by section 832.7.

Due to the volume of records, we have transferred these records to a CD-ROM. The records enclosed along with the records produced on July 31, 2019, have satisfied your request. We appreciate your patience.

Very truly yours,

NANCY E. O'MALLEY
District Attorney
